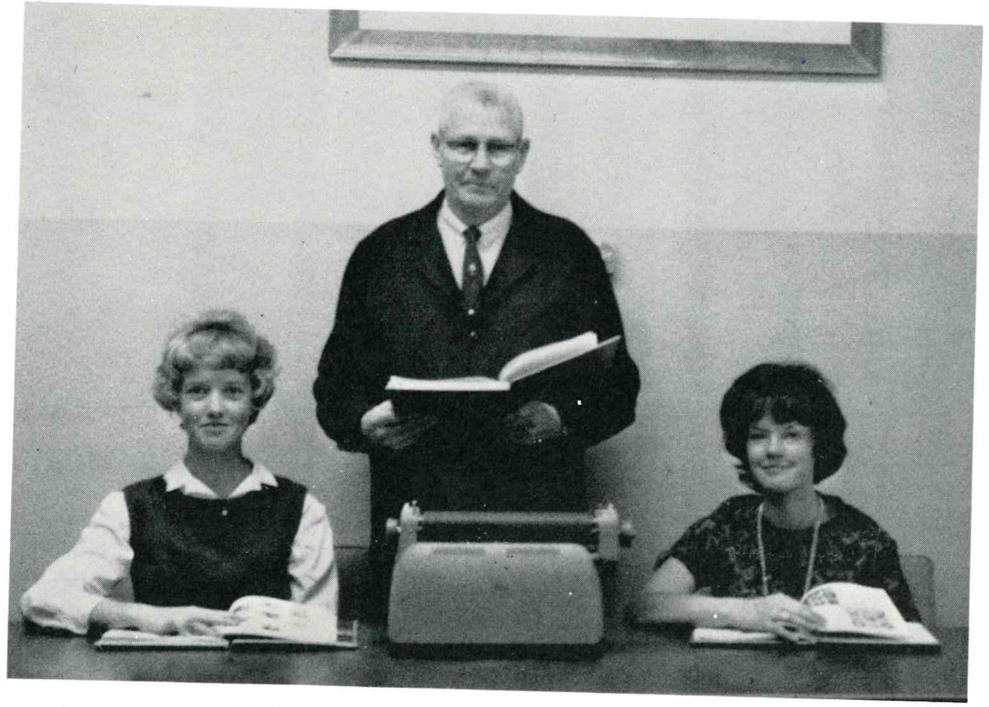
WILDCAT

To Mrs Marris
from Annual Staff



Myrleen Mr. Hatch Karla Miller

Foreword

We wish to express our appreciation to the advertisers and to all who helped to make it possible for us to have this book to treasure as a priceless possession.

In compiling this annual we have tried to give to you a yearbook which in years to come will be cherished for its memories of dear friends and happy school days.

Our Principal

A. HUGH HUBBARD

Principal's Message

Rudyard Kipling said, "Yours is the earth and everything that's in it," and Earl Nightingale said, "A man is as big as he thinks." These lines give a clue to what you can do with your life with proper training and preparation.

The basic step in your preparation is success in elementary and high school. These years in school will live always in your memory. The habits you build here will make or break you in the future.

Your life has as much in it as you prepare yourself to ask for. We live in a highly competitive world. How much do you want out of it? How much are you willing to give for it? You may expect to get out of life in proportion to the amount you give to life. Hitch your wagon to a star and let nothing change your course.

Our Board of Education

STANDING: Eugene Hansen, Newell Kay, Crawford Roberson, Mr. A. Hugh Hubbard, Genevieve Bushman, Glen Fish.

Last Will and Testament

I, Dinky (Leroy) will to all students of the Frosh class--my ability to get along with (Mr.) Hubbard and be quiet (??) in his class..

To Susan Inman, I leave my love(ly) attitude toward Mr. Oehring.

To John McLaws, the janitor, I LEAVE...

And last but not least--to Kenny Duncan, who will be still here, I leave 4E to be his wedded wife...

I, Arthur Petersen, upon leaving this dear old Alma Mater - I wish to leave a few things to the poor people who will have to stay..

To Dick Wilkinson, I leave my number 14 suit and my locker number 1 (Mr. Henderson will see that he gets them).

To Roger Randall, I leave my height and my big feet in hopes he will stumble over them as I have all my life...

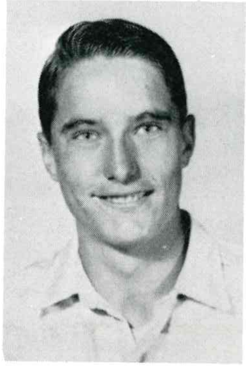
To all my teachers - I leave a bottle of aspirins and most of all I LEAVE...

To my brother, I leave my geometry, English Bug-olgy, History, and all other unfinished problems in hopes he will develop a brain cell doing them.

To Susan Inman, I leave! (I know this will make her happy).

To Conley Westover, I leave my baseball shoes,,,,...may they help him.

To Milford Rogers, I leave my hairdo and old love notes, I hope with them he can get a girl..



I, Janet Bushman, do upon this parchment place a few words my second to last will and testament.

To Terry, I leave my ability to stare out windows while listening to lectures and appear interested even if I'm not.

To Dick Wilkinson, I grant the privilege to be the best echo in school.

To Kathy Witt, I leave my ability of barely squeezing into my P.E. shorts in time to make the line-up.

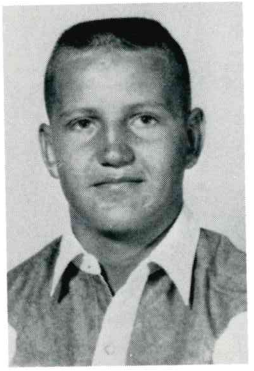
To Barretta, I leave my unconscious habit of bumping into people and tripping over my own two feet.

To David Jarrell, I leave my roller skates, in hopes he can make it to class in time.

To Minnie Jane, I leave my track record (???) so she can break it.

To Milford, I leave my beautiful vibrato voice.

All the legal knowledge I have gained from writing this document I leave to Lee.



I, Jack R. P., upon leaving this dearly beloved hole, would like to leave some possessions to the spuds who have to stay here.

First, I would like to leave to Larry Edwards the privilege of dressing someplace besides in the stinking dressing rooms.

To Richie Miller, the ability to work to get out of work.

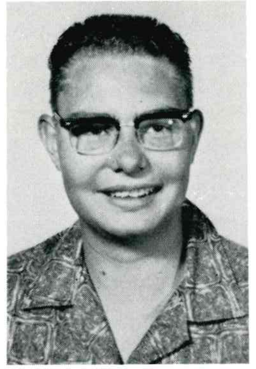
To the Freshmen who will be Sophomores - the right to make Mr. Hubbard so mad he gets mixed up.

To all the stuck-up (???) girls of this school, I just LEAVE and hope it makes them happy.

To all the teachers, I leave my complaining attitude.

To Barretta - my ability to (???) --- (Well, it was a good try) . . .

To everyone else (echos etc.) who feel left out, they can have any thing that is left . . .



I, Leslie Craig Morris, upon leaving this dearly beloved school (ha ha) will to Kenneth Warren Tubbs - my job of taking in candy money, having talks with Mr. Hubbard on Communism, my ability to play 1st grade piano, and tenor saxophone without getting Mr. Oehring's baton through me.

To Roger Randall, I will my ability to manage the basketball team under Coach Henderson.

To Richard Wilkinson, I leave my extra weight in hopes he can use a few more pounds.

To Pat Lacey, I leave my ability to watch Rose Parish.

To my little brother - Fred - I leave my J. C. S. clothes so that it will cover up all protruding bones.

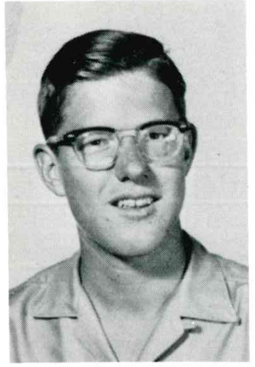
To Sandra Rogers, I leave one brain cell (leaving my other one lonely in hopes she will use it wisely.

To Dennis Petersen, I leave a few inches of my height. He sure does need it (ha ha)

To Mr. Hubbard, I leave my knowledge of World History.

To Mr. Oehring, I leave my talent, touch, and technique, along with my general knowledge of music.

To the rest I leave my love since I'll need everything else (especially charm) in H. H. S.



I, Myron L. Witt, being of strong mind and red hair, do hereby leave my red hair to Glen Jones. And the other items as follows:

My studious ways to Sandra Rogers, my brains I leave with Milford in hopes he won't use them the way I have, to Dennis and Rose I leave my life savings and estate worth up to a grand total of 15¢. I will my front seat in World History to some unlucky freshman.

With this I torque off to the Junior Class . . .

I, Kathy Kay, upon leaving this dearly beloved school, wish to leave a few of my treasured possessions to the lower class.

After much thought, I have decided to leave my dark red hair to Terry Hunt so that he won't have to be a Strawberry all his life.

To Susan Inman, I leave my long fingernails and hope that she can use them to a good advantage.

To Kenneth Tubbs, I leave my lab table and all of my un-sterile test tubes. Try to use them a little better than I did.

To Milford and Roger, I leave the good times in Study Hall and to Mr. Oehring, I leave my admiration for the wonderful job he has done with us this year.

To the rest of you unfortunate people who must remain behind, I LEAVE!!

I, Beverly Smith, upon leaving this school, wish to leave some of my possessions to the unfortunate who have to remain behind.

To Sandra, I leave all of the memories of the good (?) times we had at Mrs. Hulet's this past year.

My locker goes to the person who's lucky enough to get it...

To Kathy Witt, I leave my ability to stay up late and not get up in time to go to Seminary the next morning... She can also have my seat at the back of the row and keep Ora mad by talking to whoever sits across from you.

I leave my not so good grades behind (not that anybody would want them) in hopes that I can make some better grades in Holbrook.

My books go to anyone who wants to buy them..

To all who are left I leave my SYMPATHY...

I, Blaine Bushman, being of sound body, would like to leave some of my possessions to the unfortunate who remain behind.

I leave to Richard Miller my lucker locker no. 27 and my old bass.

I leave my ability to get a front seat in every class to Kenneth Tubbs. He needs to get acquainted with the TEACHERS.

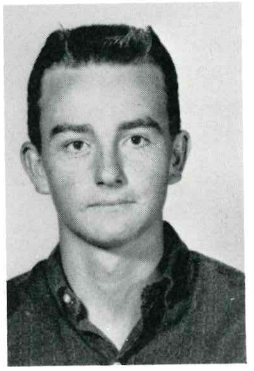
To Conley, I leave my no. 12 basketball suit in hopes he can make a better name for it.

To Terry, I leave my ability to always get in trouble with the teachers.

I'll need the rest of my ability in H. H. S. (if I get there)

To all my other fine feathered friends I LEAVE....

Blaine Bushman



I, one of the intellectual SLOBS, (Bobby Tubbs) will my ability to say the right thing at entirely the wrong time to Mr. Oehring.

I will my ability to Rosie to find her way back to civilization.

To Susan I., I will my ability to flatter the teachers.

To Mil, I will my overworked brains (not that he needs them!!!).

To Conley and Lee, I will my ability to get along next year without Kenneth and me to distract them.

To the rest, I LEAVE....

I, Kenneth Duncan (intellectual slob sophomore), upon leaving this fine prison---wish to will a few things to the unfortunate kids who are still in J.C.S.

First of all - I would like to leave to Mel my hard earned left side-burn..

To Conley I would like to leave my ability to always be where the trouble is, of course I know he probably won't use it..

To Dennis, I would like to leave my ability to do 1 push-up and 2 sit-ups in P.E.

Last of all I would like to leave to all the freshmen--the next year and I hope they will live it up and have as much fun as I did.

I, Myrleen Wimmer, now preparing to leave this wonderful school, would like to leave some of my traits and possessions to my lesser class-mates left behind.

First of all, to Johnie L., I leave my top locker (pure pity, pure pity)

To Pearl #1, I leave my ability to be late for everything everywhere. But I really hope she doesn't use it.

To Verleen, I leave my ability to get out of messes unnoticed.

Dennis P. I leave my shortness, his height is getting to be a school problem.

To Pearl #3, (Sube) I leave my curlers, I'm tired of them.

To Peggy R., I leave the bass drum... get it before Larry does.

To Dickie M. I simply leave my little sister.

To Kenneth Warren, I leave my chubby figure, PLEASE take it.

To Monkey face---I leave some new names for her---"Chicken" Northern "Pole" "Regular"....

BYE...

I, Karla Miller (alias 'Sam'), upon leaving this dearly (??) beloved school, do being to scatter about a few of my rather worthless possess-ions.

To begin with--I leave to Susan, all of my unfinished Geometry problems and fives in the grade book...

To Pat--(with much regret) I leave my boy's Levis.

To WARREN, I leave the janitors---one in particular.

To Eva Lynne, I leave my ability to never know where I put things and consequently get into gobs of trouble...

To Terry, I leave the Raymond Fan Club..

To Jayne Randall, I leave my 5'6' figure....

And last but by no means least----to everyone else I leave our grade-A Alcatraz fences...

NEVER STOP LEARNING!

Graduation isn't the end of education. The things you've learned during the last few years are only tools to help you learn more. We've been around since 1886 and we're still learning. It's the best help we have in planning today for Arizona's future ENERGY needs.
